AGENDA: Erik entertained a motion to approve the agenda. **Motion/second; Matt/Jake. Motion carried.**

VOUCHERS: Erik entertained a motion to approve the vouchers and pay the bills. **Motion/second; Matt/Jake. Motion carried.**

CLERK REPORT: The past month was very busy, but no formal report to give.

TREASURER REPORT: April checking began with a balance of \$3463.94 and ended the month with \$13,001.05. The Business savings ended at \$5.01. The Capital Improvement Road Fund- ending balance was \$305,021.00. Equipment fund ended with \$66,506.32 and Property Tax ended at \$53,206.22. The Road Maintenance checking account is at \$943.47 and the Road Maintenance savings is at \$5.00. Outstanding checks at the end of April was \$3,195.00 bringing our total financial assets on April 30, 2026 to \$435,493.07.

SUPERVISOR REPORTS:

Matt: Attended the WTA quarterly meeting; listened to presentations made by Fahrner and Monarch about their road applications.

Accepted the generous donation of the new Black Brook Town Hall sign that is hung above the front door from his employer, MG McGrath, and installed it last weekend.

Jake: Amery Ambulance service had an executive meeting and then a full board meeting. All loans were consolidated into one note at approximately \$590,000 and it will be paid down to approximately \$136,000 before the next new ambulance comes in three years which will bring it back up to roughly \$400,000. It doesn't look like an increase per capita will need to happen. The 2015 "back up" ambulance blew the head gasket and is going to auction so the 2013 ambulance will now become the back up. The new ambulance is ready except waiting for one part for one of the doors.

ROADS REPORT: Graveled 105th Street and all of 17th Ave. Western Star to Roberts for temp gauge issues. Went through batwing mower so it's ready to go. Did some pothole patching but not making mix yet until it's warmer.

CHIEF REPORT: April had dog complaint that resulted in a warning and a follow up on same dog that resulted in a citation, as well as an additional call on same dog earlier this month, but pretty sure the issues are resolved at this point.

Made a total of 5 traffic stops within the town, resulting in 2 citations for speeding and 3 warnings. Billed the town a total of 2 hours for April.

CHAIRMAN'S REPORT: Talked to one of the chipseal companies and they suggest we hold off requesting bids for chipseal and crack seal until July. Their opinion is that the prices will come down. Will wait until June to request road bids.

PUBLIC COMMENTS: Matt O'Connell gave thanks for the new sign above the door. He also wants to make known that last month's motion that he made to reduce the board position's wages was not done as a thankless act but was addressed in relation to wages of other area towns of our size. He said that his motion was not a reflection of performance or thanks or lack thereof, and that he is only speaking on behalf of himself in that regard, and not for anyone else who voted that night. He also stated that his motion was nothing personal against the current board and wanted to make sure that is known.

Erik Henningsgard want to send a thank you to MG McGrath, the company that donated the town's new sign.
